

AW22 Shanklin Circular

The three hostelries taking part in Shanklin are all within easy reach of the Old Village bus stop at Daish's Hotel.

From the bus stop, walking downhill into the Old Village, both King Harry's Bar and the Village Inn are to be found within a couple of minutes at the bottom of the hill, King Harry's being the furthest as the road begins to ascend slightly, on the left hand side.

Returning up Church Road, turning right at Chine Avenue by the Strawberry Thatch tea room, turn right after 3-4 minutes into Everton Lane. As you approach the cliff path, turn right along a path through staggered railings and immediately on your right, the Chine Inn appears.

Retrace your steps back to Old Shanklin village.

Please note we are not running along the Esplanade this year, owing to operational problems with the Speed Humps.
