

## AW32. Yarmouth Circular.

From the bus station, safely cross over the queues for the Wightlink ferry ( via the zebra crossing) towards the castle and town.

Within close proximity are The King's Head, along Quay Street- this leads into the main square. On the opposite side of the square is The Bugle Coaching Inn.

To complete the small town circuit, heading away from the square and waterside cafe, the first turn on your right is Bridge Road, which leads you back to the bus station. Along here you will find The Wheatsheaf.
