

**W1706 Propellor Inn to Culver Haven.**

Exiting the Propellor turning right, away from the airport, we need to walk for a couple of minutes on the busy road. Take care !

There is a footpath on the left hand side, numbered BB26, which leads towards Culver Down. Going past Bembridge Farm, it becomes BB25, whereupon we reach a tarmac track. Turn right, going past Glover's Farm which is on your right and continue on the footpath to the top of Culver Down (BB29). This does get quite steep, but the views are worth it.

Passing the Yarborough monument, the Culver Haven Inn is a welcoming site on your left.
