

W1708 Ventnor Rugby Club to Wroxall.

Taking the track to the side of the Rugby Club, this is known as the Stenbury Trail and begins as footpath numbered V56. Please note, stout footwear required and not for the feint hearted !

Carry along the Stenbury Trail for some time. This is progressively numbered V56, V55, V38, V36, V37. As you approach Stenbury Down, the footpath comes under Godshill parish, so it becomes GL51.

Shortly after passing GL49 on your left, you will need to take footpath GL48 on your right, towards Wroxall. This is a good descent for your knees ! You eventually come to a tarmac track , Rew Lane. Take the left turn and follow the Lane into Wroxall. The view of Wroxall from afar should make map reading etc, unnecessary.

The Star Inn at Wroxall is in the village centre. As you meet the high street, turn right and the Star is visible as the road bears right back towards Ventnor.
