

### **W1808. Bembridge Hostelries.**

Directions here starting at the **Pilot Boat Inn**, which is by the Tollgate Cafe and public toilets.

To get to Ye Olde Village Inn, turn left along Station Road (no guesses what public transport used to run here !), the track soon becomes a path numbered BB19, which is the start of the Bembridge trail.

After a fairly short walk, take the first left path uphill, BB3 which will bring you out on to the High Street. Turn right and shortly afterwards on your right is the **Ye Olde Village Inn**.

This year, the Spinnaker is taking part in the Beer, Buses & Walks event. The most direct way now is to turn right out of the Village Inn towards the centre of Bembridge and turn right into Foreland Road by the vets. After about 10 minutes the road turns sharp right into Steyne Road, where you will find the **Spinnaker**.
