

W22 Steamer Inn/Waterfront to Chine Inn

30 (Steamer Inn, Shanklin) or 31 (Waterfront) to 27 (Chine Inn, Shanklin).

On leaving the Steamer or Waterfront, turn right along the promenade; easy walk by the sea for 5-10 minutes, on reaching the small roundabout/vehicle turnaround, take the right hand roadway (restricted to local residents only) uphill; ignore the easier looking left fork with 'Shanklin Chine' overhead but instead passing through a metallised traffic cut off barrier, the Chine Inn is just around the corner, overlooking Shanklin Chine. The whole walk takes no more than 15 minutes and is OK in ordinary footwear.
